

Depave Puget Sound

Short description: Being surrounded by pavement is not healthy for our communities and it's time to rethink our greyscape. Depave Puget Sound is a mission to address the number one source of pollution in Puget Sound: polluted stormwater runoff. Join the regional movement to transform paved spaces throughout Puget Sound into green, stormwater smart landscapes.

Table captain:
Allan Warren

Entities already working on this: Melissa Buckingham (Pierce CD); Derrick Hann (Snohomish CD); Jessica Engel (King County); Nancy Huizar (Sustainable Seattle)

Keep me in the loop! (write down your info or tape your business card if you want more info)
