Topic:

Short description:

ORCAs ♥ the bus

Table captain:

Hester Serebrin, TCC

Entities already working on this:

DOT G, WEC, ATC01
Sierra Club
LWV/WA

Keep me in the loop! (write down your info or tape your business card if you want more info)

WOULD LOVE TO EXPAND THIS DISCUSSION BROADLY & TO INTEGRATE OTHER TRANSPORTATION SECTOR GROUPS THAT ARE HIGHLY EFFECTIVE (E.G., STREET SWEEPING)

we can't all choose the same: the bus, needs to change minds & vote for better measures, elected to do anti-pollution maintenance isn't valued to community → but it's a jobs issue. these folks are saving the ORCAS

Ideas/Insights/Feedback/Comments/Sketches:

? personal vs policy

? where should we be having these convos?

Use your Orca card & talk about Orcas!

SPEAK TO THE HEART ("REMEMBER J35's PAIN")

Transit – connect racial + social justice to the issue.

"Best transportation system is being there, not needing to go."

Feedback to conference: not enough bus info!

BUS RIDERS WITH LITERAL ORCA CARDS are the champions

Messaging – go through the steps of ORCA → bus, flowchart w/ superhero cape.

IDEA: NEW ARTWORK FOR ORCA CARD THAT TELLS THE STORY OF HOW TRANSIT (AND DENSITY) HELP ORCAS + FISH

Lyft vs the bus → and doesn't electrify bus

every step of the way – "salmon safe" in SLU

quantity Stormwater in commute calculator.

Stormwater heat map

· Street sweeping – a low barrier thing that doesn't require behavior change.
